VENUE DESCRIPTION

Vanderpump à Paris features delectable dishes, whimsical and unique cocktails, and a lush, elaborate atmosphere with eclectic, Parisian-inspired design details.

Designed by Lisa Vanderpump and Nick Alain, the space is reminiscent of an old Parisian courtyard, one that's stood the test of time. The interior features Art Nouveau-inspired velvet banquettes, crystal chandeliers in wrought iron cages, bronze umbrella fixtures and windows with rain-like effects.

On the food menu, you'll find playful versions of French classics. Try the Trio of Tartares, featuring three seafood tartares artfully prepared as roses. Speaking of roses, satisfy your sweet tooth with the pretty-in-pink Rose & Rosé Éclairs.

The pièce de resistance cocktail is the Louvre at First Sight, a decadent mezcal & prickly pear cocktail smoked with hickory and delivered in a mini version of the large pyramid at the Louvre Museum in Paris.

Toast your sweetie with LoveLocked, a delicious cocktail for two. One glass features a padlock and the other, a key. Write your initials on the back of the padlock and lock it onto one of the restaurant's gorgeous walls.
